

Thank you for your interest in a private event at Sosta! We look forward to working with you to make your event memorable. This space works best for events such as Staff parties, family parties, rehearsal dinners, wedding receptions, and other similar events.

We are currently not allowing this space to be used for full wedding services and ceremonies.

We are thrilled to be offering Sosta as our newest event space. We hope that you enjoy the beauty of this historic building as much as we do.

Through our catering, we strive to provide a curated and intimate experience for you and your guests. Our catering services offer a variety of menu options including craft cocktails, appetizers, pasta, pizza, and our famous house-made gelato.

The Event Space

Venue rental at Sosta gives you access to the entirety of the space. The space maxes out at 120 guests during the summer and 80 in the winter due to loss of patio seating.

Events can occur between 5:30-9:30 PM.
Set-up can begin at 4:30 PM day of event.
We are currently only booking Sosta Monday - Thursday.

Currently, we do not supply any additional decor or allow any major rearranging of the space. We are happy to talk through this point in more detail.

The Space has speakers throughout that are compatible with standard streaming services. We are also happy to accommodate musicians in the space.

Site Visits and Walkthroughs

We understand that planning and adding personal touches to your event are extremely important. As such, we want to help make that processes as simple as possible.

It is important to note that this space is also a full restaurant/cafe that operates 7 days a week and minimizing the overlap of event planning and normal service is extremely important.
